

Amadablam Expedition

Trip Overview

Mount Amadablam(6812 Mtr) is one of the most beautiful peaks in the world one of the superior choices for mountaineers and the most impressive mountains in the world. It lies in the home of Mount Everest in the Khumbu region to the south of Mount Everest and Mount Lhotse. The expedition to Mount Amadablam offers a superb, technical climbing experience in a magnificent setting, with numerous cultural and scenic diversions. It was first submitted in 1961 since then every year it has been frequently climbed. The most popular route by far is the Southwest Ridge.
