Annapurna Region Heli Tour-3 Hrs

Trip Overview

Annapurna region is surrounded by many high mountains such as Mount Annapurna, Mt Annapurna South, Mt Dhaulagiri, Mt Manaslu, Mt Gangapurna Mt Machhapuchere, etc. To see and explore these beautiful giant mountains in an hour, a Tour by Helicopter is the easiest way to get there. It offers a unique opportunity to get spectacular aerial views and explore the views from very near. This tour package covers all trekking routes of the Annapurna region. Our Flight starts from Kathmandu, We will fly through Mt Manaslu to Manang Valley. After Exploring Tilicho Lake(World's Highest Located) we going to cross Thorang La Pass and our flight will move towards Gorepani Poon Hill and Annapurna Basecamp. We will have breakfast at Annapurna Basecamp then will be back to Kathmandu through Pokhara.
