

Everest Base Camp & Three Peak

Trip Overview

This is one of the super adventure and popular climbing peaks for those who are crazy mountain lovers in the Everest region. Our itinerary has been carefully designed keeping in mind gradual ascent and proper acclimatization with the main theme of safety and security. This trip includes Everest Basecamp with three popular trekking peaks such as Lobuche East(6119 Mtr), Island Peak(6189 Mtr), and Pokalde (5806 Mtr). Our trail follows the Everest Basecamp route via Namche Bazar, Tyanboche, and Dingboche. Our program is the first to Climb Pokalde Peak which is the lowest peak among these three peaks. After one more acclimatization day in Dingboche, our trip goes forward towards Pokalde Basecamp. There are multiple routes to get basecamp but we follow the easiest one. After conquering the summit of Pokalde which has good views we move forward to Island Peak Basecamp through Chukkung Valley. Island Peak lies east of Pokalde. Having one more rest and preparation day in Island Peak basecamp, Our target is to summit Island Peak and explore amazing mountains around such as Mt Lhotse, Mt Makalu, Mt Nuptse, Mt Amadablam, Mt Baruntse, and many more. After getting back to Dingboche from Island Peak another super adventure journey to Everest base camp and Lobuche East climbing begins. Our trip headed to Everest base camp first then on the way back from Everest base camp our mission is to Lobuche East. Lobuche East Climbing is our final and challenging destination. Lobuche High Camp is just an hour's walk from Lobuche village. After summiting our trip almost came to an end with these long day adventures with a lot of memorable moments and great achievements.

6. How safe is Everest basecamp trek?

Safety is our first concern. As we provide the experienced guides and leaders for the particular trip who are well trained about the high altitude sickness, first aid ,friendly attitude and ability to provide useful and important instructions. All our itineraries are designed with proper acclimatization days in order to reduce the risk of altitude sickness. In every group we provide the first aid kit bag incase of any injury and emergency.

7. How is the lodging and fooding facilities in EBC trek?

Along the trail to Everest basecamp, there are well facilitated lodges are available with various types of foods. We provide you three meals a day with your own choice. We always provide the seasonal fruits as well. We always book in lodges with well management and facilities. Rooms are very nice and attached toilet until Dingboche. if you buy single supplementary package you will get single room.

8. What about the flight from Kathmandu-Lukla and vice versa?

Just about 25 minutes flight from Kathmandu takes us to Tenzing Hillary airstrip in Lukla but the due to some circumstances, these days the flight to Lukla are operated from Ramechap, which is 4 hours drive from Kathmandu and 15 min by flight to lukla. There are options to fly by helicopter directly from Kathmandu to Lukla as well, which is bit expensive than regular flight. Sometimes the weather doesn't permits for the regular flight, then we should be compulsion to hire the helicopter. The airlines companies has operated the first flight to Lukla directly from Kathmandu, so if you book your trip with us before 3 months , we can book the seat for direct flight.

9. Is there any internet wifi facility on the way?

After your arrival in Kathmandu airport, we recommand to buy One ncell sim card. In everest region until panboche Ncell 4G works very well. Above Panboche there is good internet facility of Everest link. There are varieties of data cards as 10 GB, 20 GB. If you purchased bigger one it works all over the khumbu and if you purchase 20 GB one it it enough for your whole trek and you can enjoy in social media, news and connect with your family friends and loved one.

10. Can I use the forieng currency and Credit cards on the way in any shop or Lodge?

You can pay by oriegn currency as well, but the exchange rate will not be same as Kathmand, so we recommand you to exhage the money in kathmandu and take a nepalese Rupees. In mostly lodges they accept the credit cards but sometime due to internet problem it will not be 100% guarantee.

11. What is the normal tempreture in spring and Autumn season?

Spring season starts from March, but until third week of march tempreture will still be cold even in day time. But actually tempreture depends on weather, if weatheris mild tempreture ranges from 10-15 Degree

Centigrate. If the weather is clear, days will be warm. After the April it will be warm with sunny weather. Especially in Morning and Evening time will be little cold.

Autumn season starts from September, September will still be warm even the weather is not good. From October normally in morning and evening will be cold.

12. How difficult is Lobuche east, Pokalde and Island peak climbing?

All these three peaks are famous trekking peak. Before we climb all these peaks we do EBC and Kalapathar for the acclimatization. Technically Lobuche and Island peak are little difficult and Pokalde is much easier to climb. but we have an expert guide to take you to summit.

13. How is lodging and fooding during the climbing period?

We have climbing crew and kitchen crew in Basecamp and Highcamp with well facilities of foods, drink. We have a single tent for each climber. We will spent maximum 2 night in highcamp, but we we summited, got back to highcamp early and if still have energy and time we try to descend down.

14. Do we need to give the tips for climbing guide and staff?

Tips is not mandatory but it is appreciation for the efforts they did for your achievement.

15. How long does it take for summit all these peaks ? How long the distance of climbing?

It depends on how fast your pace is. For a normal walker in Lobuche East, it takes 5-6 hours just to climb and for descending it takes a maximum of 3 hours. If we start by 3 AM we will be on summit around 7 AM.

The approx climbing distance is 2 KM. Distance-wise it is short but after the crampon point, it is steep climbing about 800 Meters.

In Pokalde climb, it takes 3-4 hours to summit and 2 hours to get down.

Island peak is little longer than any other peak, just to get to crampon point it takes 3-4 hours then it takes maximum 2 hours to get summit.
