

Manaslu Circuit Trek

Trip Overview

Manaslu region is located near the border of Nepal and Tibet. Trek to Manaslu region is named after the big Mountain Mount Manaslu (8067 Mtr), It is located near the border of Nepal and Tibet. Trekking in Manaslu is one of the most delightful and challenging adventures. The scenic and panoramic landscapes with rich cultural aspects make this trek a truly amazing experience. Very few foreigners trek in this high and mysterious valley which was once an important link between Tibet and Nepal.

This trek is a wonderful journey around the Manaslu Conservation Area, lesser known than the Annapurna region. Stunning mountain views, varied landscapes, and an abundance of flora and fauna make this a wonderful trip. This is a physically challenging trek, which includes Larky La pass at 5213 meters, so trekkers should be in decent physical condition.

USD 75 per person / week

USD 10 per person / day (beyond 1 week)

4. How safe is Manaslu circuit trek ?

Safety is our first concern. As we provide the experienced guides and leaders for the particular trip who are well trained about the high altitude sickness, first aid ,friendly attitude and ability to provide useful and important instructions. All our itineraries are designed with proper acclimatization days in order to reduce the risk of altitude sickness. In every group we provide the first aid kit bag incase of any injury and emergency. We make the proper decision according the regular updated weather report, if there is any chances of big snow falls or storms, we decide and do the action as per the situation.

5. How is the lodging and fooding facilities in Manaslu Circuit Trek?

This route is recently opened for trekkers and mountaineers, so the lodging are not developed well yet, Lodging and fooding are all very basic.

6. How is the internet and Power for charging facilities?

Only in some place the sim cards works, and internet is available only in limited place but mostly places we can get battery charging facilities.

7. Can I use the forieng currency and Credit cards on the way in any shop or Lodge?

You can pay by oriegn currency as well, but the exchange rate will not be same as Kathmandu, so we recommand you to exchage the money in kathmandu and take a nepalese Rupees. Credit cards facilities are not available in this region.

8. What is the normal temperature in spring and Autumn season?

Spring season starts from March, but until third week of March temperature will still be cold even in day time. But actually temperature depends on weather, if weather is mild temperature ranges from 10-15 Degree Centigrade. If the weather is clear, days will be warm. After the April it will be warm with sunny weather. Especially in Morning and Evening time will be little cold.

Autumn season starts from September, September will still be warm even the weather is not good. From October normally in morning and evening will be cold.
