

Pokhara City Tour

Trip Overview

Pokhara is one of the most pleasant and beautiful places of tourist destinations of Nepal. It is in the western part of Nepal in the lap of beautiful Mt. Macchapuchhere and Annapurna Himalayan range, and can be reached within 7 hours' drive and 25 minutes' flight from Kathmandu, which is 200 KM in distance. Pokhara is the gateway to the Annapurna region trek. Though people are not going on trek, they choose Pokhara for exploring beautiful sceneries with a lot of activities. Khumbu Alpine Travel has made the itinerary one full day with the prospect of must-visited places in Pokhara and another day for various activities like paragliding, ultra-light flying, zip flyer, and Bungee Jumping. A single-day tour of Pokhara City lets you experience major highlights of Pokhara City. After breakfast, we will take you to the following highlighted places as follows.

World Peace Stupa

World Peace Stupa The World Peace Stupa is located at the top which crowns the ridge and provides phenomenal panoramic views of various mountains as well as the whole Pokhara valley. There are several ways to get there either pass the lake by boating and climb the ridge or drive to the top.

Fewa Lake

Fewa Lake is an attractive and pleasing place to spend your time with Boating in fresh and cool air, exploring beautiful mountains is incredible. You can enjoy boating on the Fewa Lake and visit a temple placed in between the lake known as Barahi temple.

Gupteshwor Temple

The temple in the cave is located just near Davis Falls. After visiting the Falls we can visit the temple of lord Shiva where many Hindu pilgrims come with high values.

Davis fall

Davis Falls is one of the attractions of Pokhara. This is the waterfall named after a person named Davis who had accidentally fallen into the underground waterfall beneath while he was enjoying swimming. It looks stunning.

Sarangkot

Sarangkot, at an elevation of 1592 Mtr is the most popular shore excursion from Pokhara. Just half an hour's drive from Pokhara will take us to Sarangkot, which offers panoramic views of Mt Dhaulagiri, Mt Annapurna, and Mt Machhapuchere Himal. This is one of the popular and one of the good paragliding spots of Nepal.

International Mountaineering Museum

This is a complete museum with a super record of the history of mountain and mountaineering. Full description of dress, culture, customs, lifestyle, and history of mountain people and various flora and fauna. The Museum contains three exhibition halls as Hall of Great Himalayas, the Hall of Frame, and the Hall of World Mountains.
